

Thank You to Our Reviewers in 2025

The Editors of the *Canadian Geriatrics Journal* (CGJ) would like to publicly acknowledge and thank the peer reviewers listed below who reviewed manuscripts for the Journal's four issues in 2025.

These experts volunteer their valuable time and expertise to provide thoughtful comments and insightful guidance to our authors and, without their efforts, the quality of the Journal could not be sustained. We express our appreciation and gratitude to all reviewers for their important contribution to the articles published in the *CGJ*.
