

LICENSE TO PUBLISH

Manuscript ID #: _____

Manuscript Title: _____

Author(s): _____

Prior to publication of your article, we require your written permission to publish your accepted article in the *Canadian Geriatrics Journal*. Please review and complete the form. The form is due upon acceptance of your article.

LICENSE TO PUBLISH

The author(s) hereby grant an exclusive license to the Canadian Geriatrics Society (CGS), which provides the CGS the exclusive right:

- To publish the final version of the Article in the *Canadian Geriatrics Journal* (CGJ).
- To reproduce, distribute, display and store the Article, in print, electronic, or any other format or medium now known or developed in the future.
- To translate the Article into other languages, create adaptations, reprints, include within collections and create summaries, extracts and/or, abstracts of the Article, or to create any other derivative work(s) based on the Article.
- To deposit copies of the Article in online archives maintained by the CGS, or by third parties authorized by the CGS.
- To grant licenses to third parties to do any or all of the above.

For multi-authored articles, you confirm that you are authorized by your co-authors to enter this license on their behalf.

The CGS sends all articles published in the *Canadian Geriatrics Journal* immediately upon online publication, without further intervention from the author, to PubMed Central (PMC), the National Library of Medicine's full text article archive. All articles are also mirrored in all PMC sites, including PubMed Central Canada. Manuscripts deposited to PMC are freely available to the public, via the Internet, upon publication in the journal.

The Author(s) warrant and represent that:

- You are the author(s) and sole owner(s) of the copyright and have not previously assigned copyright or granted a license to any other third party.
- This manuscript, in its entirety, is original and that none of the material in the manuscript has been previously published, is included in another manuscript, or is currently under consideration for publication elsewhere. Any reference to or use of previously published material is explicitly acknowledged in the manuscript and the authors have obtained permissions where necessary. Permissions must be provided and attached to this agreement.
- The article does not libel or violate the privacy rights of any third party.

CREATIVE COMMONS OPEN ACCESS AGREEMENT

Immediately upon publication, the article will be distributed under the terms of the Creative Commons Attribution Non-Commercial No-Derivative license (<http://creativecommons.org/licenses/by-nc-nd/2.5/ca>), which permits unrestricted non-commercial use and distribution, provided the original work is properly cited. Articles published under this Open Access model are made freely available online immediately upon publication, as part of a long-term archive, without subscription access restrictions. CGJ readers are entitled to use, reproduce, distribute or display these articles provided that:

- the original authorship is properly and fully attributed;
- the journal and publisher (Canadian Geriatrics Society) are attributed as the original place of publication with the correct citation details provided;
- no articles are reproduced for commercial use without the prior consent of the Canadian Geriatrics Society and payment of the appropriate fee (if applicable).
